January 19, 2009

Dear CertainTeed Roofing Customers:

March 2, 2009 Residential Roofing Price Increase

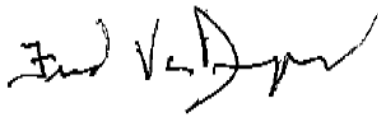

The impact of the high costs associated with producing roofing products remains significant. As a consequence, we will implement a price increase of up to 10% on residential roofing and accessory products sold in the United States effective March 2, 2009.

Orders shipped on or after March 2, 2009 will be invoiced at the new price, regardless of the order entry date.

Your CertainTeed Roofing Territory Manager will contact you with the increase amount by product and provide you with a new price sheet. Please contact your Territory Manager with any additional questions.

I want to assure you that CertainTeed is doing everything possible to control costs and maintain good service to you. I appreciate your understanding and continued support of CertainTeed Roofing.

Sincerely,

Fred Van Dongen
Vice President Sales

Please make sure this is distributed to all of the appropriate people in your company
